

GETTING STARTED LOADING THE NEW APP

1

Download the NEW
Valparaiso Family YMCA App

2

Enter the email address or
phone number you used in
the old app to log into your
account. If you forgot your
password, follow the "forgot
password" instructions.

3

You should be ready to sign up
for classes or register for
programs! The booking
window for group exercise
classes is 24 hours in
advance of the class.

Check out all the new features that the app allows. Track your workouts, create new workouts, register for programs and classes, request a personal trainer, and register your child(ren) for Child Watch.

If you are having issues, please find a front desk associate for help.
