

A Rich History of Caring...and Sharing

The Valparaiso Family YMCA is dedicated to offering programs, classes, facilities, and amenities to meet the needs of individuals and families within the greater Valparaiso community. In addition to building strong kids and strong families, the Valparaiso Family YMCA brings the community together through the many fun-filled special events it hosts. Whether you are participating in the golf outing or dancing the night away at the annual Jazz Fest, these events play an important role in making sure we can continue to grow our mission and commitment to the community. Special events have always been a major part of the YMCA's efforts to raise funds for the many needs of our Y families. Through your participation and attendance at these events, our community comes together to have a great time while continuing the purpose of keeping our Y strong! Thank you for your support in helping us build **strong kids, strong families, and strong communities.**
