2023 YOUTH BASKETBALL LEAGUE

JANUARY 16TH – MARCH 11TH

Overview

Basketball has been a tradition of the YMCA since it was created by Dr. James Naismith in 1891. At the Valparaiso Family YMCA we embrace our history and are proud to offer Youth Basketball to children as young as age 3, up to 6th Grade.

We believe that Youth Sports should be used to develop a child's character while also giving them an opportunity to be active and enjoy being introduced to a new sport. For more experienced players we still believe in giving all children the opportunity to succeed and always place the emphasis on providing a fun environment for your kids.

Coaches

Like almost all youth sports organizations, the YMCA depends on volunteer coaches to lead our teams. We believe strongly in the impact a volunteer can have on a child and encourage all parents who are able, to volunteer. Lesson plans can be provided.

It is also our goal to allow all players to participate in 1/2 of each game. However, if we are unable to obtain enough volunteer coaches to keep rosters manageable, your child's playing time may be affected.

For information on the responsibilities of a volunteer coach please contact the Sports Coordinator, Kevin Freyenberger, at (219) 462-4185 extension 239 or kfreyenberger@valpoyymca.org
