## 2021 YOUTH VOLLEYBALL LEAGUE

MARCH 29 - MAY 22

### **Overview**

Volleyball has been a tradition of the YMCA since it was created by William G. Morgan in 1895. At the Valparaiso Family YMCA we embrace our history and are proud to offer Youth Volleyball to children in 1st Grade up to 8th Grade.

We believe that Youth Sports should be used to develop a child's character while also giving them an opportunity to be active and enjoy being introduced to a new sport. For more experienced players we still believe in giving all children the opportunity to succeed and always place the emphasis on providing a fun environment for your kids.
