At the Y, strengthening community is our cause.

Every day, the Y strengthens communities for kids, adults, seniors and families with programs that protect, teach, connect, heal, nourish and encourage.

It's how we give everyone the opportunity to reach their full potential.

With your support, the Y will provide \$370,000 in financial assistance this year to the people who need it most throughout our community.

REACHING OUR POTENTIAL

The Annual Giving Campaign is a community-based effort to raise the funds needed to provide financial scholarships and free programs to those in need to ensure that everyone has access to high quality, affordable programs that will enhance their life and community.

When you donate to the Y, you help us provide our community with the programs and services they need to thrive.

YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve. We see every interaction with young people as an opportunity for learning and development – all grounded in the Y's core values of caring, honesty, respect and responsibility.

HEALTHY LIVING

We help people and families build and maintain habits that improve their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
