LETTER FROM THE CVO

Dear Valued Members,

As we close another remarkable year at the YMCA, I want to extend my deepest gratitude to each of you. Your ongoing support, participation, and belief in our mission continue to drive everything we do.

This past year has been one of growth, resilience, and community. Together, we've expanded our programs to reach more youth, families, and seniors than ever. Whether through swim lessons, health and wellness classes, after school programs, or community outreach, the Y has remained a place where all can belong and thrive.

Thanks to your generosity and support, we were able to:

- Provide financial assistance to hundreds of families in need, ensuring no one is turned away due to their inability to pay.
- Launch new wellness workshops for teens and adults.
- Maximize the attendance at our cooking classes.
- Improve and renovate key facilities to create safer, more inclusive spaces.
- Deepen partnerships with local schools, hospitals, and food banks to address pressing community needs.

Yet beyond the numbers, what inspires me most is the spirit I see in our Y every day: the volunteer who shows up early to coach youth basketball, the senior who finds new energy in our water aerobics class, the child who learns to swim for the first time, and the parent who finds peace of mind knowing their child is in a safe, nurturing environment.

As we look ahead, we're focused on innovation, equity, and sustainability. We are exploring new ways to support families, enhance our wellness offerings, and ensure that the Y remains a cornerstone of strength for our entire community.

On behalf of our staff, board, and volunteers, thank you for walking alongside us, believing in the Y, and being part of this community. We are honored to serve you and excited for what we'll continue building together.

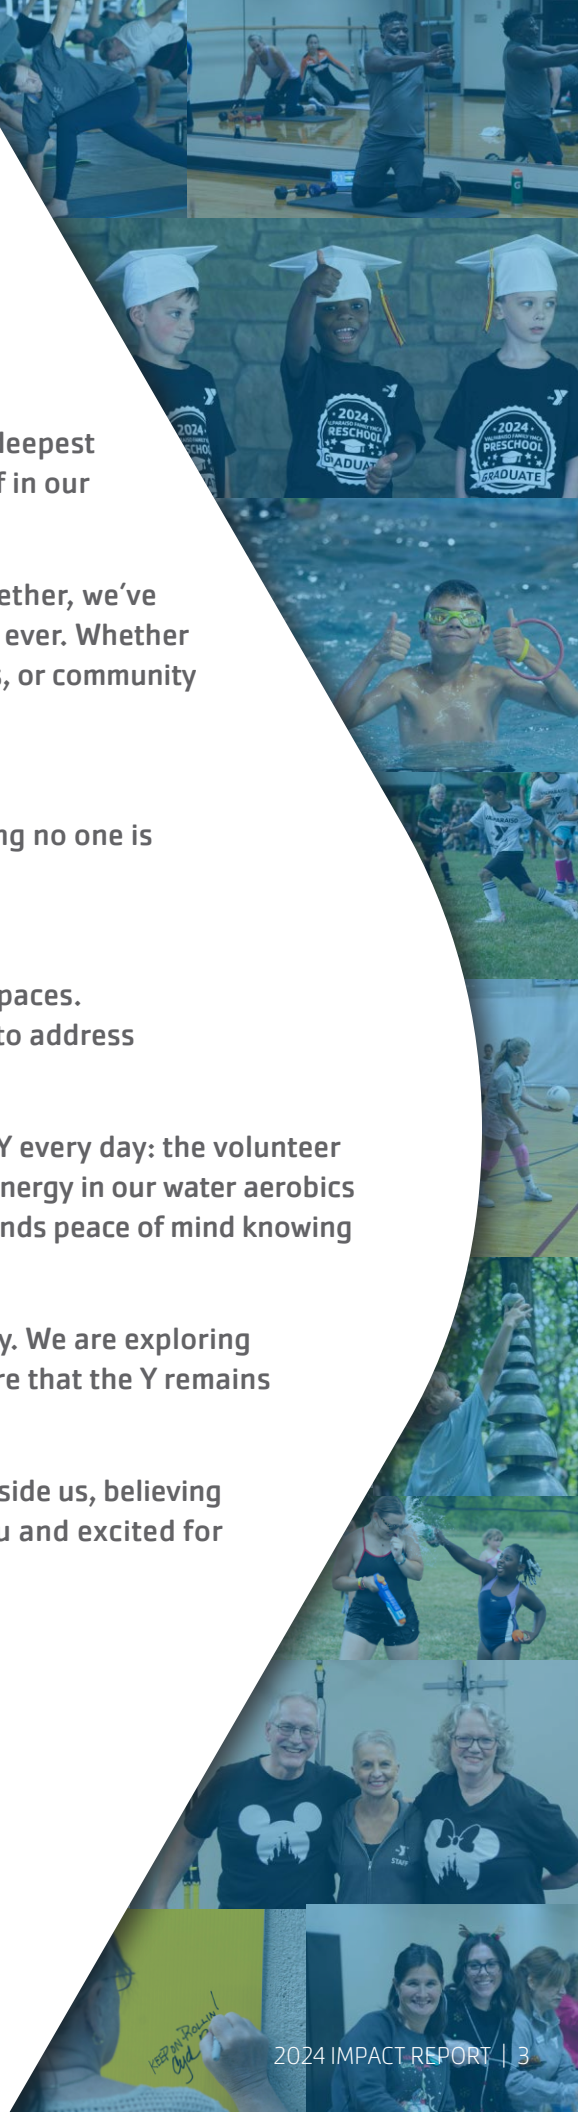

Wishing you a healthy, joyful, and connected year ahead.

GROWING TOGETHER

HOW WAS 2024 FINANCIAL ASSISTANCE DISTRIBUTED?

Ensuring Access. Empowering Lives.

At the Valparaiso Family YMCA, we believe that everyone deserves the opportunity to grow stronger – in spirit, mind and body. In 2024, thanks to the generosity of our donors and community partners, we awarded \$471,094 in financial assistance to ensure that children, families and individuals could participate in Y programs, regardless of their financial circumstances.

Whether it was a child learning to swim, a parent affording quality preschool, or an active older adult finding wellness and friendship through fitness, your support made these moments possible.

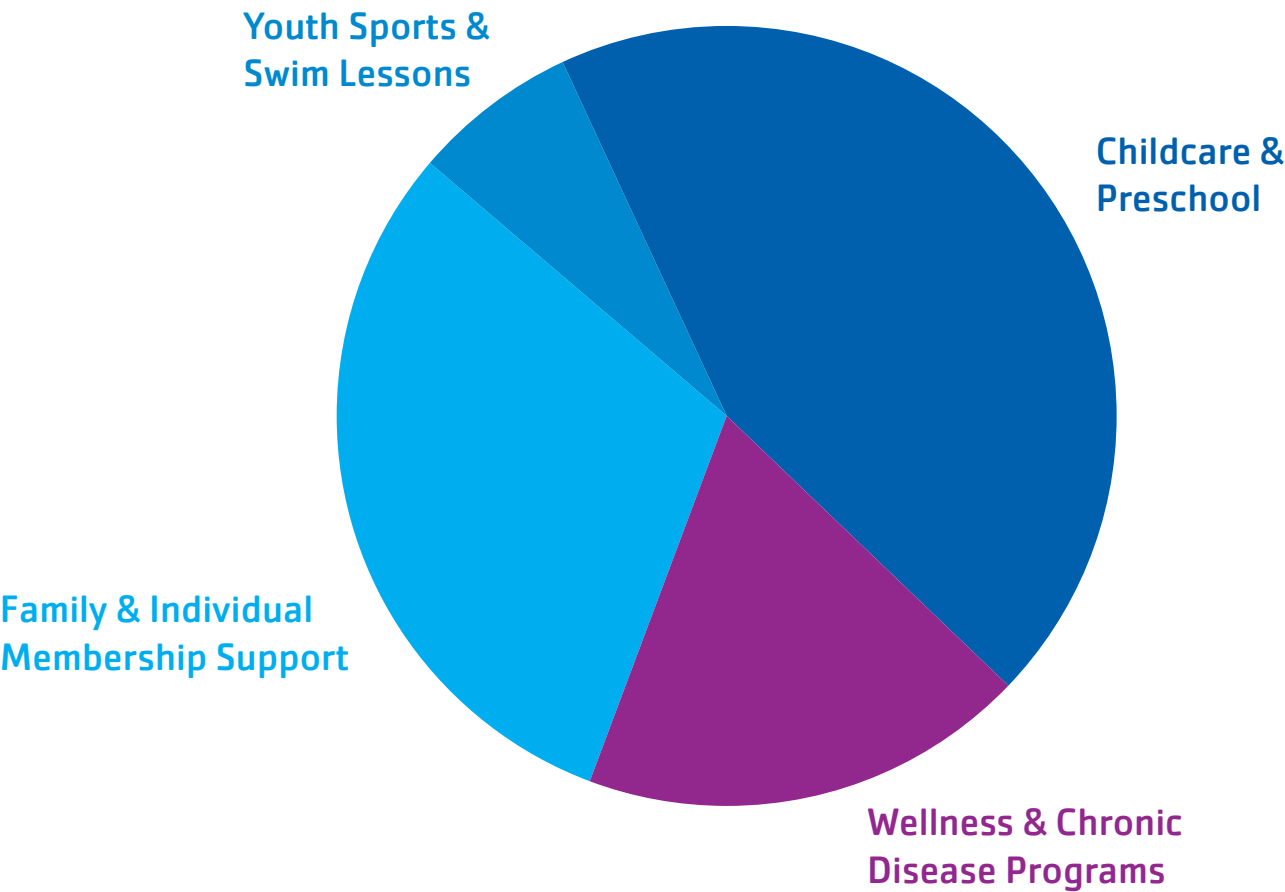

This snapshot illustrates how this funding was distributed – reflecting our deep commitment to equity, inclusion and community wellbeing.

ANNUAL CAMPAIGN

The Valparaíso Family YMCA is grateful for the widespread community support for our 2024 Annual Campaign. Themed “Find Your Y,” the campaign was focused on bridging the opportunity gap, connecting community, and cultivating healthy equity in order to help those most in need in our community.
