LETTER FROM THE CVO

Dear Valued Members,

As another impactful year at the YMCA comes to a close, we want to extend our deepest gratitude to each of you. Your continued dedication, involvement, and trust in our mission remain the driving force behind all that we accomplish.

This past year has been filled with meaningful growth, fresh innovations, and stronger connections throughout our community. Together, we've expanded programs and facilities to reach even more youth, families, and individuals than ever before. Whether through swim lessons, youth sports, wellness offerings, or new community partnerships, the Y has remained a welcoming place where everyone belongs.

Thanks to your generosity and support, we were able to:

- Introduce a solar canopy in our east parking lot, advancing our commitment to sustainability
- Begin planning for our very own outdoor turf soccer field to expand recreation opportunities
- Partner with Opportunity Enterprises to open the OE Cafe in our lobby, creating meaningful employment and community connection for all
- Add an additional group space for personal training to better support member wellness goals
- Serve thousands of kids and families through our robust youth sports programming
- Form a Feasibility Committee to study potential opportunities for expanded Y programming throughout our community and the rest of Northwest Indiana

Yet beyond the numbers and great things happening here, what has always, and still makes the Y special to me is the opportunity that we ALL have to practice community, each and every day. The Y is a giant template where a beautiful community happens. It truly makes my heart smile, each and every time I see it.

As we look ahead, we are focused on innovation, equity, and partnership. This year we will proudly celebrate our 80th anniversary in Valparaiso. We are also excited to explore healthcare partnerships aimed at making the Y accessible to ALL through enhanced membership programming. This collaboration would bring tremendous value to our members and the broader community through frequent health screenings, seminars, and various community events.

On behalf of our staff, board, and volunteers, thank you for walking alongside us, believing in the Y, and being part of this community. We are honored to serve you and energized for what we will continue building together.

Wishing you a healthy, joyful, and connected year ahead.

GROWING TOGETHER

HOW WAS 2025 FINANCIAL ASSISTANCE DISTRIBUTED?

Ensuring Access. Empowering Lives.

At the Valparaiso Family YMCA, we believe that everyone deserves the opportunity to grow stronger in spirit, mind, and body. In 2025, thanks to the generosity of our donors and community partners, we awarded \$432,709 in financial assistance to ensure that children, families and individuals could participate in Y programs, regardless of their financial circumstances.

Whether it was a child learning to swim, a parent affording quality preschool, or an active older adult finding wellness and friendship through fitness, your support made these moments possible.

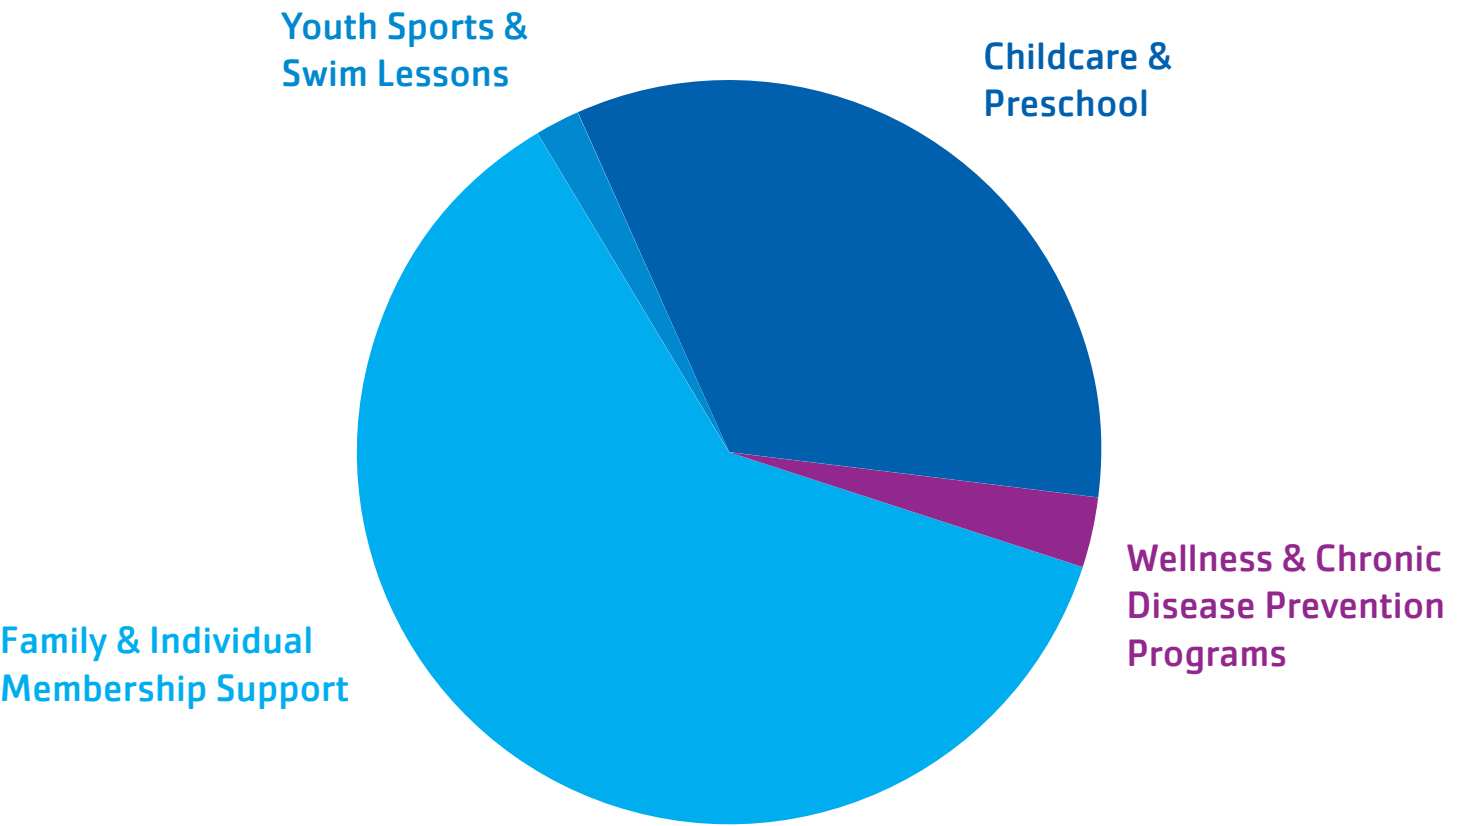

This snapshot illustrates how this funding was distributed reflecting our deep commitment to equity, inclusion, and community wellbeing.

ANNUAL CAMPAIGN

The Valparaíso Family YMCA is grateful for the widespread community support for our 2025 Annual Campaign. The campaign was focused on bridging the opportunity gap, connecting community, and cultivating healthy equity in order to help those most in need in our community.

THANK YOU FOR TEN YEARS

In 2025, the Valparaiso Family YMCA continued its long-standing partnership with Powers Health, building on more than a decade of collaboration, focused on community health and wellness. Through on-site nursing services and health education, Powers Health played an important role in supporting our members. We are especially grateful for the dedicated service of Christy Cleveland, who faithfully served as the YMCA's on-site nurse for over 10 years before her retirement, leaving a lasting impact on our community. As we look to the future, the YMCA is embracing a more flexible approach to healthcare collaboration. By engaging multiple healthcare partners, we are expanding opportunities to connect our members with a broader range of professionals, programs, and resources that support health and well-being at the Valparaiso Family YMCA.
