# YBASH

## Join us for our signature fundraising event!

Y Bash is a casual and fun evening of entertainment, silent auction, food, cash bar, and music – all in support of building stronger a community!

Each year, Y Bash raises support for life-changing programming, helping children, families and individuals meet their fullest potential.

Your sponsorship provides so much more than financial support – it develops successful youth, engages people in healthy living, and instills a commitment to social responsibility – creating a strong foundation for our community.
