2024 Youth Volleyball League

MARCH 18 - MAY 18

Overview

Volleyball has been a tradition of the YMCA since it was created by William G. Morgan in 1895. At the Valparaiso Family YMCA we embrace our history and are proud to offer Youth Volleyball to children in 1st Grade up to 9th Grade.

We believe that Youth Sports should be used to develop a child's character while also giving them an opportunity to be active and enjoy being introduced to a new sport. For more experienced players we still believe in giving all children the opportunity to succeed and always place the emphasis on providing a fun environment for your kids.
